immigrant parents!**

Asking for help
is strong!

You are
not alone!

I am

a father, a mother, an immigrant family

I want to understand

the impacts of migration on my family

I want to recognize

my child's needs

I am looking for

tips and tricks to support my child

I want to know

the support resources for the family

I want to have

the right information on youth protection (DPJ)

Registration in progress!
